### Letter of Recommendation

This is to certify that Mr. Pritom Kumar Das, Roll: BSSE-0919, a final year student of Bachelor of Science in Software Engineering (BSSE) at the Institute of Information Technology (IIT) is submitting a project titled, "earnEasy: A Mobile Crowdsourcing Based Application" for the ICT Innovation Fund 2019-20. The goal of our project is to help the companies and government to get the opinion of the crowd with a simple , reliable and trustworthy method by leveraging mobile crowd sourcing technologies. To the best of my knowledge, this will be the first attempt of it's kind in Bangladesh. During the tenure of the project, he will be working under my supervision.

I wish him all the success for the proposed project.
